1. Why Should I buy TunePat Any Audiobook Converter for Windows?

The trial version permits users to convert only the initial 60 seconds of each audiobook. Upon buying the license, a registration email, along with a code, will be sent to unlock all limitations.
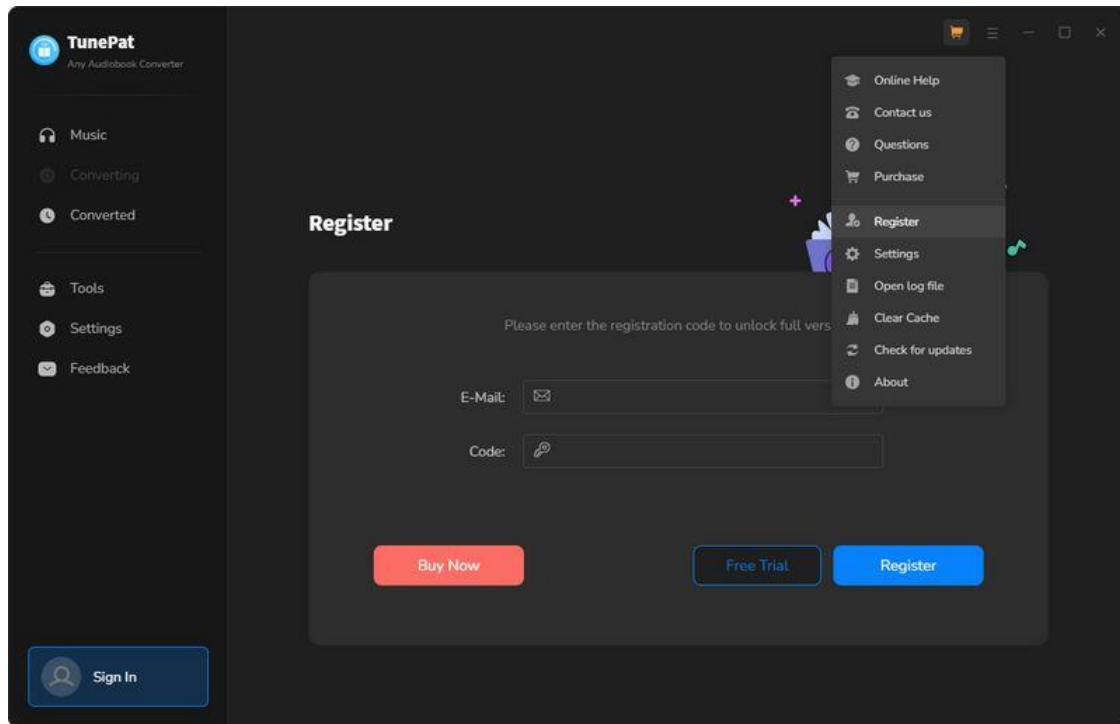

2. What Benefits do we have after Registration?

- Unlimited use without any function restrictions.

- FREE upgrades to the latest versions of the same product.

- FREE technical support.

Register TunePat Any Audiobook Converter for Windows

Step 1: Click on the " ≡ icon > **Register**" or the "**Sign In**" option on the toolbar in the lower left corner. This will open the registration window below, where you can complete the registration process.

Step 2: Copy and paste the registration email and code into the registration pop-up window, then click "**Register**".

TIPS:

1. We suggest you simply copy & paste the Registration information into the pop-up dialog.

2. Make sure both Registration Email and Registration key are provided by our company after purchasing. If you have not paid, please click "Buy Now" to finish the payment and get the license.

3. Please make sure the Registration Email and Registration key you entered are complete, and do not insert any blank before or after them. Otherwise, normal registration will not be possible.

4. The license is not shared between Windows and Mac, and a license key can only be used on one device.

5. If you need to replace the computer, please contact the TunePat customer service team by email to help you deal with it. If you register and use on multiple devices at the same time, the registration code will become invalid and you cannot register successfully.

6. In the case of subscription renewal, then complete the registration by these steps: Click on the "Register" option → Choose "Renew License" → Enter the E-mail and the new code you have received on the renewal date. → Tap on "Confirm".
